HCSA EIS Regional Procurement/Logistics Excellence Award

This award recognises someone who has consistently performed their role in health care purchasing and supply and/or Supply Chain and Logistics to a level of excellence.

This might include three or more of the following:

- Delivered or helped to deliver significant improvement in their organisation and/or profession
- Has been highly innovative in performing their role
- Has delivered or helped to deliver significant savings or other efficiencies through their own initiative and/or exceptional dedication
- Has demonstrated outstanding ability to lead an organisation, a project or a team
- Has demonstrated exceptional progress or commitment to improving their own professionalism or that of colleagues in their own organisation
- Has widespread and acknowledged peer recognition in striving for and achieving excellence in organisational and/or professional development
- Has developed and established excellent relationships within their own organisation or between their own organisation and others, leading to demonstrable benefits
- Has championed Social Value, Sustainability and or focused on environmental areas to enhance and improve outcomes for all

Nominations for this award are not restricted to members of the Association and can be made on behalf of anyone working at any level in the health care purchasing and supply function. The nomination must be proposed by a member of the Association.
