

Healthcare Finance stars of the year named at HFMA's annual awards

The HFMA presented eight awards at a ceremony held during its annual conference in London, as well as a number of personal awards to members who have made a significant contribution to the association. The third annual Future-Focused Finance Award was also presented and won by Mark Songhurst. Find out the names of the other winners below and [read the news article from last night](#). You can follow us on [twitter](#) and have a look at [#HFMAAwards2018](#) for a glimpse into last night's ceremony.
